

Vendor Terms and Conditions

This document sets forth the Terms and Conditions under which ITL LLC doing business as ITL Solutions ("ITL") purchases goods and/or services from the vendor ("Vendor"). Any questions about these Terms and Conditions shall be directed to info@itl.us.

1. General Terms

This agreement constitutes agreement with the entire understanding between the parties and supersedes all prior discussions and agreements.

- Any changes to this agreement must be made in writing and signed by both parties.
 - ITL reserves the right to modify or update these Terms and Conditions at any time without notice.
-

2. Acceptance and Agreement

- **Acceptance:** Fulfillment by Vendor of the items and/or services ordered by ITL constitutes consent by the Vendor to these Terms and Conditions. Any signed Purchase Order (PO) or confirmation correspondence shall also constitute acceptance.
 - **Controlling Terms:** These Terms and Conditions, together with the applicable PO, constitute the entire agreement between the parties and shall prevail over any conflicting terms in the Vendor's documents (e.g., invoices, acknowledgments).
 - **Brand Names:** Strict compliance with the brand names and part numbers specified in the PO is required. No substitutions are acceptable without the prior written consent of ITL.
-

3. Delivery, Freight, and Risk of Loss

- **Freight:** All item(s) shall be FOB Destination, Freight Prepaid, unless otherwise specified in the PO.
- **Delivery - Time is of the Essence:** The time of delivery stated in the PO is of the essence. Delivery shall not be deemed complete until all purchased products or services have been received and accepted by ITL.
- **Damages for Late Delivery:** In addition to any other remedies ITL may have, in the event the Vendor fails to provide goods or services upon the date agreed in the

applicable PO, ITL may charge, at its sole discretion, and Vendor shall pay the following amounts (including the right of ITL to off-set such amounts against other amounts due Vendor):

(a) the total of any amount already paid to Vendor by ITL for such late goods and/or services, plus damages incurred by ITL arising from or related to any agreement ITL may have with its customer to provide the late goods and/or services, plus any additional cover damages incurred by ITL to obtain the goods and services from another source; or

(b) The total of any amount already paid to Vendor by ITL for such late goods and/or services, plus liquidated damages in the amount of five percent (5%) of the value of the goods and services per day of lateness of delivery.

- **Risk of Loss:** Vendor assumes all risk of loss, damage, or destruction to the goods until final acceptance by ITL at the designated destination.

4. Inspection, Quality, and AS9100 Requirements

When required, all goods and services provided under this Purchase Order (PO) are subject to the following Quality Management System (QMS) requirements.

- **Quality Management System (QMS):** Vendor shall establish and maintain a QMS acceptable to ITL. Unless otherwise specified in the PO, the Vendor shall operate a QMS compliant with AS9100, ISO 9001, or an equivalent industry-recognized standard.
- **Competence and Personnel:** Vendor shall ensure that all persons performing work under the PO are competent, including any required qualification of persons, and are aware of their contribution to product or service conformity, product safety, and the importance of ethical behavior.
- **Verification and Right of Access:** All materials furnished and services performed are subject to inspection and testing by ITL, its agents, and its customers. Vendor shall grant ITL, ITL's customers, and regulatory authorities the unfettered right of access to the applicable areas of Vendor facilities and to applicable documented information, at any level of the supply chain, for quality assurance and verification. Vendor is responsible to ensure that these requirements are passed down to all vendors and suppliers directly or indirectly supporting an ITL PO.

- **Technical Requirements:** Vendor shall comply with ITL's requirements regarding the processes, products, and services to be provided, including the identification of relevant technical data (specifications, drawings, process requirements, work instructions).
 - **Special Requirements:** Vendor shall comply with requirements related to special requirements, critical items, or key characteristics, including any specified controls over manufacturing methods, processes, and equipment. No changes shall be made without explicit written consent and a change to the Purchase Order.
 - **Non-Conformance and Correction:** Vendor shall implement a process for the notification and approval of non-conforming processes, products, or services. Vendor must immediately notify ITL upon discovery of a non-conforming condition and secure ITL's written authorization for their disposition.
 - **Changes to Processes & Location:** Vendor must notify and obtain prior written approval from ITL for any changes to manufacturing or service provision processes, products, or services (including sub-contracted processes, products, and services) and changes to the location of manufacture.
 - **Sub-tier Flowdown:** Vendor shall flow down to its sub-tier suppliers all applicable requirements of the PO, including customer requirements, as well as the requirement to use customer-designated or approved external providers (e.g., special processes).
 - **Product Acceptance:** Vendor shall comply with ITL's approved methods for product acceptance, including the use of statistical techniques and related instructions provided by ITL. Vendor shall provide test specimens for design approval, inspection/verification, investigation, or auditing as required.
 - **Counterfeit Part Prevention:** Vendor shall maintain a program to prevent the use of counterfeit parts and shall flow down counterfeit mitigation requirements to its sub-tier suppliers.
 - **Documentation and Retention:** Vendor shall provide all required Certificates of Conformity (CoC), test reports, or authorized release certificates. Vendor shall retain documented information, including quality records, for a minimum period of seven (7) years from the completion of the PO, unless otherwise specified by ITL. Level 1 part documentation shall be retained for ten (10) years.
-

5. Payment, Taxes, and Returns

- **Payment:** Invoices will be paid by ITL within forty-five (45) days of ITL's receipt of a proper invoice, unless otherwise agreed upon in writing.
 - **Invoice Submission Deadline:** Vendor shall not be entitled to charge for any goods or services after ninety (90) days from the date of provision of such goods or services.
 - **Set-off:** ITL may offset against any payment hereunder any amount owed to ITL by Vendor, including damages for late delivery or non-conformity.
 - **Taxes:** Except as otherwise provided, the price includes all applicable federal, state, and local taxes.
 - **Product Returns (Defective/Excess):** In the event of defective materials or if ITL's customer reduces the quantity ordered, the Vendor shall immediately issue a Return Materials Authorization (RMA) number. Vendor shall refund ITL any monies received, less any applicable restocking fee (which fee is waived if not quoted as part of the PO), within 14 days of receipt of returned materials.
-

6. Representations and Warranties

Vendor represents and warrants that:

- (a) all goods are new, free from defects, and conform to specifications;
- (b) all services are delivered in a professional manner;
- (c) the goods are fit and safe for consumer use;
- (d) performance is in accordance with all applicable laws, rules, and regulations;
- (e) all Original Equipment Manufacturer (OEM) warranties flow to ITL and may be assigned to ITL's customer;
- (f) any deviation from the exclusive use of OEM parts requires ITL's express, documented consent; and
- (f) no goods or services delivered shall infringe on the intellectual property rights of any third party.

7. Flowdown Clauses and Regulatory Compliance

- **Flowdown of FAR/DFARS/HSAR and Agency-Specific Requirements:** All applicable clauses and requirements from the Federal Acquisition Regulation (FAR), the Defense Federal Acquisition Regulation Supplement (DFARS), the Homeland Security Acquisition Regulation (HSAR), and any other agency-specific regulations, acquisition notices, solicitation provisions, or contractual flowdown requirements incorporated into the prime contract shall be incorporated herein by reference. For such flowdown clauses, the terms 'Government,' 'Contractor,' and 'Contracting Officer' shall mean 'ITL,' 'Vendor,' and 'ITL's Director of Contract Management,' respectively, except where the Government is acting in its sovereign capacity or where the clause relates to proprietary rights.
- **Cybersecurity and Covered Defense Information (CDI):** If the PO involves CDI (as defined in DFARS 252.204-7012 (Safeguarding Covered Defense Information and Cyber Incident Reporting) and HSAR 3052.204-72 (Safeguarding of Controlled Unclassified Information (CUI)) or other CUI requirements as required by law, the Vendor shall comply with the requirements of DFARS 252.204-7012 and HSAR 3052.204-72 and their successor clauses. Vendor shall notify ITL of any cyber incident immediately (no later than 24 hours) upon discovery.
- **Export Control (ITAR/EAR):** The Vendor warrants that it shall comply with all U.S. export statutes and regulations, including the International Traffic in Arms Regulations (ITAR) and the Export Administration Regulations (EAR). Vendor must certify and maintain documentation regarding the authorization status of all foreign persons having access to controlled technology.
- **Ethics and Labor:** Vendor shall comply with all applicable labor laws, including those regarding minimum wage, hours, and workplace safety. Vendor certifies that it adheres to high ethical standards and will comply with the relevant sections of the FAR/DFARS/HSAR pertaining to ethical conduct, anti-corruption, and reporting.

8. Business Confidentiality/Proprietary Information, and Intellectual Property

- **Confidentiality:** ITL and Vendor agree to keep confidential and not disclose or disseminate any proprietary information furnished by the other party. This obligation shall survive termination for five (5) years.
- **Ownership of Deliverables:** ITL shall own all right, title, and interest, including all intellectual property rights, in and to the deliverables explicitly or implicitly identified as "Newly Created Deliverables" in the applicable purchase order ("PO"),

including any modifications, enhancements, updates, or other derivative works thereof. To the extent any such Newly Created Deliverables or derivative works do not qualify as “works made for hire,” Vendor hereby irrevocably assigns to ITL all worldwide right, title, and interest therein.

Notwithstanding the foregoing, each party shall retain all right, title, and interest in and to its respective pre-existing intellectual property. To the extent Vendor’s pre-existing intellectual property is incorporated into, necessary for the use of, or embedded in the Newly Created Deliverables, Vendor grants to ITL a perpetual, irrevocable, worldwide, royalty-free, fully paid, transferable license (with the right to sublicense) to use, reproduce, modify, distribute, and create derivative works of such pre-existing intellectual property solely as part of or in connection with the Newly Created Deliverables.

- **License to Vendor Materials:** If mutually agreed upon, Vendor grants ITL a nonexclusive, irrevocable, worldwide, perpetual, fully paid up, and royalty-free license to use, copy, modify, and create derivative works of any Vendor Materials incorporated into the Deliverables.

9. Indemnification and Insurance

- **Indemnification:** Vendor shall defend, indemnify, and hold ITL and ITL’s customers harmless from all damages, losses, and liabilities (including attorney’s fees) arising from:
 - (a) Vendor’s negligence, misconduct, or fraud;
 - (b) breach of any warranty;
 - (c) non-compliance with law; or
 - (d) any claims that the products/services infringe the IP rights of any third party.
- **Insurance:** Vendor shall procure and maintain, for the duration of the PO, the following minimum insurance policies: Workers’ Compensation, Employer’s Liability (\$1M minimum), Commercial General Liability (\$2M per occurrence, \$5M aggregate), and Business Automobile Liability (\$1M). ITL and ITL’s customer shall be named as additional insureds and a waiver of subrogation shall be provided in favor of ITL.

10. Termination and Disputes

- **Termination for Default (Cause):** ITL may immediately terminate the PO for cause if the Vendor fails to meet a delivery date, fails to make progress, or breaches any term, with a 10-day cure period for non-performance failures.
 - **Termination for Convenience:** ITL may terminate any PO for its convenience (or its customer's convenience). If terminated for convenience, ITL will pay Vendor the PO price for complete articles accepted and the fair value of partially completed work, but Vendor must submit a final settlement proposal within ten (10) days.
 - **Governing Law and Jurisdiction:** This PO shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia. Vendor consents to the exclusive jurisdiction of the Commonwealth of Virginia state and federal courts.
-
